The property

Just a few minutes from Cannes and its beaches, it enjoys a privileged location with unobstructed views of the village and surrounding hills.

With a surface area of 300m², the villa stands out for its bright spaces, noble materials, and high-end amenities. The spacious double living room with dining area, enhanced by large bay windows and a stone fireplace, opens onto a green and peaceful environment. The elegant and functional open-plan kitchen has a central island and a glass-fronted wine cellar, ideal for entertaining.

The master suite offers a true haven of peace with a dressing room, travertine bathroom, and direct access to a private garden. Three additional bedrooms on the ground floor, each with a shower room and toilet, guarantee privacy and comfort for their occupants.

An independent en-suite bedroom completes the ensemble, perfect for guests, staff, or teenagers seeking independence.

Built on 2000 m² of land, Villa Bloom offers an exceptional outdoor setting: a Mediterranean garden, a heated swimming pool with a relaxation area, a raised dining area to enjoy sunny days, and a private garage.
