

The property

Just a few steps from Place des Lices, Villa Blossom offers a rare address, ideal for enjoying the Tropezian art of living to the full. Its modern architecture and luminous volumes make it an exclusive place to stay, both elegant and convivial. With its swimming pool, landscaped garden and outdoor lounge, everything here is designed to help you savor the moment, between idleness and the hustle and bustle of the village.

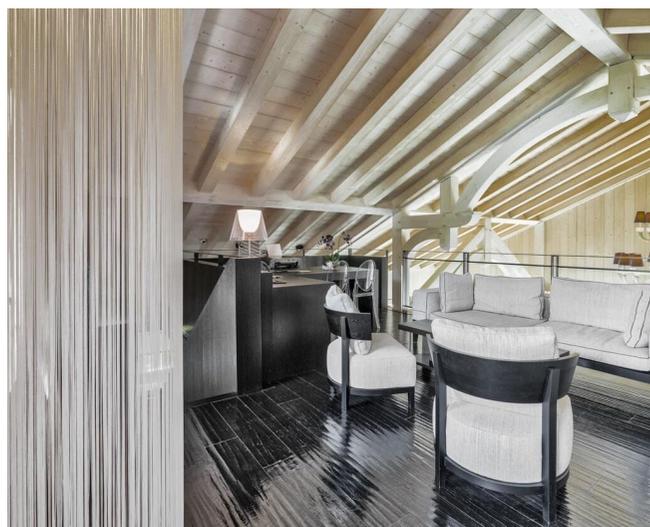

Covering an area of 200 m², the villa can accommodate up to eight guests in four double bedrooms, each with its own bathroom. The uncluttered decor plays on noble materials and natural hues to create a soft, timeless ambience. The vast, light-filled living room opens onto the garden, with a fireplace and library for quiet moments.

Outside, the swimming pool is accompanied by a summer bar and several relaxation areas. The petanque court completes this warm, Mediterranean setting, perfect for vacations with friends or family.

A garage, security system and wine cellar complete the amenities of this refined yet perfectly functional villa, just a few minutes' walk from the beaches and iconic restaurants of Saint-Tropez.
