The property

Between the umbrella pines of Ramatuelle and the turquoise waters of Pampelonne Bay, Villa Dune is set within one of the most sought-after locations in the Gulf of Saint-Tropez. Here, golden sand seems to extend directly into the garden, while the sea lies just a short walk away, offering a complete immersion into the refined art of Mediterranean living. The atmosphere is both wild and elegant, shaped by natural light and the absolute calm of a preserved setting, only moments from the iconic beaches and the legendary village of Saint-Tropez.

From the moment you arrive, the villa reveals a lifestyle designed to be lived as much outdoors as indoors. The outdoor areas form the true heart of the property: a swimming pool lined with sun loungers invites long hours of relaxation, while shaded terraces become privileged gathering spaces during the warmest moments of the day. The sound of cicadas, the sea breeze, and the surrounding vegetation create a quintessential Provençal ambiance, ideal for complete disconnection.

Inside, Villa Dune offers a contemporary and minimalist atmosphere, where natural materials and soft tones extend the harmony of the exterior. The volumes are designed to comfort...
