The property

It offers spacious living areas, perfect for moments of relaxation with family or friends. On the ground floor, the open-plan kitchen, living room, and dining area create a welcoming and spacious environment, while the master bedroom, also located on this level, offers optimal comfort. The two other bedrooms, each with its own bathroom, are situated on the garden level, ensuring complete privacy for all guests.

Outside, the villa boasts a large, tree-filled garden, a true haven of peace where you can relax in complete tranquility. The outdoor space is especially well designed, with a large pool offering an idyllic setting to enjoy the Mediterranean climate. Whether you want to spend time by the pool or take a stroll in the lush garden, every moment spent at Villa Eze is a moment of relaxation.

One of the villa's main advantages is its direct access to the beach, which can be reached on foot. You can fully enjoy the pleasures of the sea and sand, just a few steps away from your villa.
