The property

Tucked away in the prestigious, secure domain of Les Parcs de Saint-Tropez, Villa La Ramade embodies the timeless elegance of a Provençal bastide, enhanced with tropical and oriental inspirations. A true private oasis, it spans 400 m² in the heart of a 3,800 m² landscaped garden, where century-old palm trees, fountains, fruit trees, and aromatic plants create a postcard-perfect setting.

Designed by renowned architect M. Morisse, the villa combines architectural refinement with noble materials: marble, wenge wood, custom furniture, curated artworks, and a soft, elegant ambiance give every room its own character. It features 6 en-suite bedrooms, including a sumptuous master suite with a private terrace and sea view, a cozy living room with fireplace, an indoor dining area, and several themed outdoor lounges perfect for relaxing.

Built for comfort, La Ramade also includes a fitness area equipped with Technogym machines, a jacuzzi, a heated infinity pool with counter-current swimming, a TV lounge, an office, and a semi-professional kitchen. Spacious covered terraces, a Weber barbecue, ping-pong table, and foosball invite conviviality, while a state-of-the-art security system ensures absolute peace of mind.
