The property

This confidential property, nestled in more than 4,000 m² of lush greenery, offers a unique experience, combining intimacy, refinement and gentle Mediterranean living.

With its 550 m² of elegantly appointed space, the villa can accommodate up to 20 guests in 9 double bedrooms and a separate apartment. Perfect for large families or stays with friends, every space has been designed to preserve comfort and independence. Some rooms are nestled in the garden, while others are located under the terrace or near the pool, for true outdoor living.

Light-filled living rooms open onto terraces shaded by flowering arbors. Inside, the decor combines natural materials, earthy colors and contemporary works of art to create a warm, inspired atmosphere. Each room has its own universe, subtly staged with macramé, rattan, raw wood and shades of blue or terracotta, in homage to the local palette.

Outside, the scent of jasmine, wisteria in bloom and sea views create an idyllic setting. The swimming pool, lined with sun loungers and a summer lounge, invites you to relax at any time of day. Views of the Mediterranean, natural protection from the mistral wind and absolute serenity: everything you need to savor the moment to the full.
