The property

Perched on the peaceful hills of Gassin, just outside Saint-Tropez, Villa Manza embodies the understated elegance and Provençal charm of a family home by the sea. Surrounded by a landscaped garden of 1,400 m
environment, blending nature, comfort, and the gentle rhythm of life in the South.

The house accommodates up to eight guests across four double bedrooms, each with its own en-suite bathroom. Flooded with natural light, the interiors combine noble materials with soothing tones. From the kitchen to the living area, every space is designed to bring the outdoors in: wide openings, sea views, and direct access to shaded terraces.

Out in the garden, a heated pool with sun loungers invites pure relaxation, while the pétanque court, wine cellar, and shaded corners promise convivial moments throughout the day. The villa also features a discreet security system, ensuring a peaceful and carefree stay.
