The property

Nestled among vineyards and bathed in light, this modern villa combines luxury, comfort, and tranquility.

This single-story residence, with a surface area of 2,800 square feet, can accommodate up to 10 guests thanks to its five bedrooms with private bathrooms, designed to ensure privacy and comfort for everyone. The 3,600 m
trees and an imposing umbrella pine, create a green and relaxing setting.

Inside, the living space is designed to combine conviviality and elegance. The bright living room, with its fireplace and exposed wooden beams, invites you to relax, while the open-plan, fully equipped kitchen makes it easy to share meals. Large bay windows open onto the terrace and garden, creating perfect harmony between indoors and outdoors.

Outside, the villa has a heated swimming pool surrounded by sun loungers and a pool house ideal for al fresco lunch or dinner. Leisure enthusiasts can also enjoy the pétanque court for a typically Provençal moment of relaxation.

For large families or groups of friends, a neighboring villa can be rented as an addition, allowing you to host more guests without compromising on privacy and comfort.
