The property

Villa Pierra sits in the residential Tahiti - Capilla district of Saint-Tropez, minutes from Pampelonne beaches and the town centre. A location that lets you enjoy the buzz of Saint-Tropez while retreating to the calm of a 2375 sqm garden, fully enclosed and shaded by pines.

The main villa spans 400 sqm and sleeps up to 14 guests in seven bedrooms. On the ground floor, two bedrooms with en-suite bathrooms. Upstairs, the master suite with dressing room and private bathroom, plus two interconnecting bedrooms sharing a shower room. In the garden, a separate guest house offers two additional independent bedrooms with double beds and bathrooms, an ideal setup for families or groups of friends who want to be together while keeping their privacy.

The pool anchors outdoor life. Around it, a large terrace, dining area and several lounge spots let you spend entire days outside. The enclosed garden gives everyone room to find their own corner among the pines and shrubs.

Pierra feels simple and generous: in the morning, you can be at Pampelonne in a few minutes, lunch by the pool, and in the evening walk to the port or dine in the garden. A house made for group stays, where space and layout let you...
