## The property

Ideally located in a tranquil lane just a short walk from the vibrant heart of Saint-Tropez, Villa Rossa offers a rare setting that combines absolute tranquillity with immediate access to shops, beaches and restaurants.

The property is divided into two independent living areas. The main house features a bright living space with lounge and dining area, open to a modern, fully equipped kitchen. Large bay windows connect the interior with the terrace and garden, creating a seamless indoor-outdoor flow. Three tastefully decorated bedrooms and two bathrooms complete this warm and functional space.

The independent guest house offers a comfortable bedroom with en-suite shower room and a modern kitchen — the ideal setup for providing privacy to your guests.

Outside, a peaceful landscaped garden and pool invite you to relax and enjoy the Mediterranean climate. At the front, private parking accommodates two to three cars with ease.

A true haven for six guests, where serenity meets the buzz of Saint-Tropez.
