## The property

Located in Ramatuelle, a stone's throw from the sea and the legendary beaches of the Saint-Tropez peninsula, Villa Solana offers an exceptional setting for an exceptional vacation. This elegant property has five spacious bedrooms, each with its own bathroom, allowing it to accommodate up to ten people in absolute comfort.

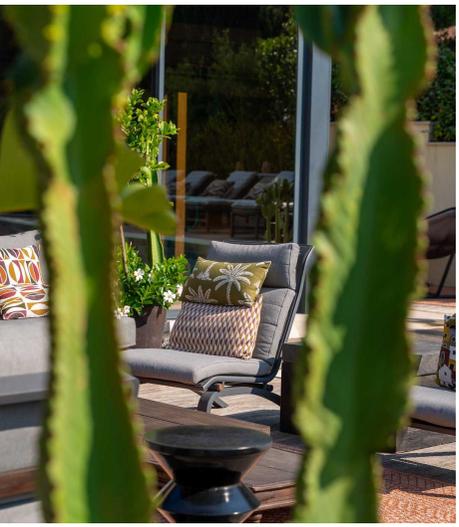

The villa combines refined architecture with a relaxed atmosphere: large bay windows open onto the terrace and Mediterranean garden, flooding the living spaces with natural light. The open and welcoming living room extends onto a shaded terrace, perfect for reading, relaxing, or enjoying evening aperitifs. Outside, the private pool becomes the central place for socializing: swimming in the sunshine, sun loungers facing the Provençal greenery, and barbecue evenings under the pine trees.

The location is a major asset: Ramatuelle, nestled between pine forests and vineyards, is a historic village in the south of France, appreciated for its authentic charm and its immediate proximity to sandy beaches.

Thanks to this privileged location, guests enjoy easy access to the restaurants of Pampelonne Bay, local markets, and the entertainment of Saint-Tropez, while enjoying a calm and discreet environment.
