Saint-Tropez, French Riviera

18 Travelers • 9 bedrooms • 9 bathrooms

The property

Completely renovated by interior designer Stéphanie Coutas, this residence combines modernity with Provençal authenticity. It has nine en-suite bedrooms, divided between the main villa and its annex, which can accommodate 14 guests and 3 or 4 staff members. The master bedroom, with its private terrace, offers breathtaking views of the Bay of Canoubiers and the Southern Alps.

Villa Victoire has been designed for sharing special moments: large reception areas bathed in light, a heated swimming pool with pool house and barbecue, and a large terrace opening onto the garden. Sports enthusiasts will enjoy the ultra-modern gym, while epicureans will gather around the pétanque court, emblematic of the Saint-Tropez lifestyle.

Perfect for vacations with family or friends, Villa Victoire embodies the perfect balance between elegance, conviviality, and relaxation.
